Definitions

AQF means Australian Qualifications Framework which can be accessed at <http://www.aqf.edu.au/>

ASQA means Australian Skills Quality Authority which is the national VET regulator and ANIE's registering body

Course means any nationally recognised qualification, unit of competency, skill set or short course delivered by ANIE.

Dimensions of Competency refers to the types of skills a person must have to perform effectively in a broad capacity. The dimensions of competency ensure the person being assessed has the skills to perform competently in variety of different circumstances. To be competent, a person must demonstrate the following:

Task Skills	The skills needed to perform a task at an acceptable level. They include knowledge and practical skills and these are usually described in the performance criteria.
Task Management Skills	These are skills in organising and coordinating, which are needed to be able to work competently while managing a number of tasks or activities within a job.
Contingency Skills	The skills needed to respond and react appropriately to unexpected problems, changes in routine and breakdowns while also performing competently.
Job Role/Environment Skills	The skills needed to perform as expected in a particular job, position, location and with others. These skills may be described in the range of variables and underpinning skills and knowledge.
Transfer Skills	The ability to transfer skills and knowledge to new situations and contexts.

National Code means National Code of Practice for Providers of Education and Training to Overseas Students 2018

Principles of Assessment means assessment decisions are based on the principles of fairness, flexibility, validity and reliability, which definitions of each of these as outlined below¹:

Fairness	<p>The individual learner's needs are considered in the assessment process.</p> <p>Where appropriate, reasonable adjustments are applied by ANIE to take into account the individual learner's needs.</p> <p>ANIE informs the learner about the assessment process, and provides the learner with the opportunity to challenge the result of the assessment and be reassessed if necessary.</p>
Flexibility	<p>Assessment is flexible to the individual learner by:</p> <ul style="list-style-type: none">• reflecting the learner's needs;• assessing competencies held by the learner no matter how or where they have

been acquired; and

- drawing from a range of assessment methods and using those that are appropriate to the context, the unit of competency and associated assessment requirements, and the individual.

Validity Any assessment decision of ANIE is justified, based on the evidence of performance of the individual learner. Validity requires:

- assessment against the unit(s) of competency and the associated assessment requirements covers the broad range of skills and knowledge that are essential to competent performance;
- assessment of knowledge and skills is integrated with their practical application;
- assessment to be based on evidence that demonstrates that a learner could demonstrate these skills and knowledge in other similar situations; and
- judgement of competence is based on evidence of learner performance that is aligned to the unit/s of competency and associated assessment requirements.

Reliability Evidence presented for assessment is consistently interpreted and assessment results are comparable irrespective of the assessor conducting the assessment.

Reasonable adjustment means a modification made to the learning environment, training or assessment methods used to enable students with a disability to access and participate in training on the same basis as those without a disability. The adjustment must be 'reasonable' in that it must not impose unjustifiable hardship on the person or ANIE.

Recognition of Prior Learning or RPL means an assessment process that assesses the competency(s) of an individual that may have been acquired through formal, non-formal and informal learning to determine the extent to which that individual meets the requirements specified in the training package of VET accredited courses. For definitions of formal, non-formal and informal learning, refer to the definitions in ASQA's User's Guide for the Standards for Registered Training Organisations 2015².

RTO means Registered Training Organisation

Rules of Evidence means that the evidence on which an assessment decision is based is valid, sufficient, authentic and current, with definitions for each as outlined below: ³

Validity	The assessor is assured that the learner has the skills, knowledge and attributes as described in the module or unit of competency and associated assessment requirements.
Sufficiency	The assessor is assured that the quality, quantity and relevance of the assessment evidence enables a judgment to be made of a learner's competency
Authenticity	The assessor is assured that the evidence presented for assessment is the learner's own work.
Currency	The assessor is assured that the assessment evidence demonstrates current

competency. This requires the assessment evidence to be from the present or the very recent past.

SRTOs means the Standards for RTOs 2015 – refer to definition of ‘Standards’.

Standards means the Standards for Registered Training Organisations (RTOs) 2015 from the VET Quality Framework

Policy

1. Delivery of quality training

- ANIE provides quality training to its students for all Courses. This means:
 - Providing an appropriate amount of training for each Course to ensure effective outcomes for students in line with industry expectations, Training Package or VET Accredited Course requirements, and AQF requirements.
 - Providing suitable educational and support services sufficient to meet the numbers of students enrolled with ANIE.
 - Providing training resources that are accessible to students regardless of their location or mode of delivery.
 - Ensuring there are sufficient numbers of skilled trainers and assessors who are appropriately qualified and experienced in line with the Standards (Clause 1.13-1.25) and ANIE’s *Skilled Trainers and Assessors Policy and Procedures*, who are able to deliver the Courses on ANIE’s scope to the number of students enrolled with ANIE.
 - Identifying the support that each individual student needs prior to their commencement or enrolment with ANIE (whichever is first) and providing access to the educational and support services necessary to meet these needs and Course outcomes.

2. Training and Assessment Strategies and industry consultation

- In line with ANIE’s *Course Development and Review Policy and Procedure*:
 - ANIE engages effectively with industry on each of the Courses it develops and/or delivers and uses industry feedback and input to contribute to the way in which a Course is delivered and structured.
 - A comprehensive *Training and Assessment Strategy* is developed and implemented for each Course on ANIE’s Scope of Registration. Training and Assessment Strategies are developed in consultation with industry and meet the requirements of the training package or VET Accredited Course.
 - Training and Assessment Strategies are reviewed annually to ensure they remain current and reflect the current needs of industry.
 - Training and Assessment Strategies are designed to be detailed so as to ensure that they can be used as the road-map to the delivery of each course, in conjunction with ANIE’s policies and procedures.
 - Trainers and assessors are provided with the *Training and Assessment Strategy* for each Course they train and/or assess to ensure consistency and compliance with the requirements

3. Suitable and sufficient resources

TA2-I: Training and Assessment Policy & Procedures

- ANIE ensures it has access to suitable resources, facilities and equipment to deliver all Courses on its Scope of Registration. This includes access to a sufficient number of qualified trainers and assessors, relevant training rooms, learning aids, machinery, tools, workplaces or simulated workplace environments that appropriately reflect a workplace that a student is likely to work in once qualified. For further information refer to the *Course Development and Review Policy and Procedures*.

4. Assessment principles

- ANIE has an assessment system that ensures assessment:
 - Is conducted in accordance with the Rules of Evidence and the Principles of Assessment.
 - Is conducted in line with the requirements of the relevant Training Package or VET Accredited Course.
 - Requires the student to demonstrate all of the skills and knowledge outlined in the components of the relevant unit of competency or module.
 - Requires the student to demonstrate the ability to perform tasks in a variety of situations, adapt to different contexts and environments and perform tasks to an appropriate level expected by a workplace.
 - Considers the students' dimensions of competency when making all assessment decisions.
- To ensure no students are disadvantaged, where required assessors will make Reasonable Adjustments to assessment tasks or processes to accommodate individual needs and record these adjustments.
- ANIE has a plan for, and implements, systematic validation of assessment practices and judgments. Refer to the *Assessment Validation Policy & Procedure* for further information.

5. Assessment documentation

- Assessment documentation has been developed for all units of competency or modules in each Course. These documents include:
 - Detailed instructions to the student about the tasks they must complete
 - Marking Guide for the assessor
 - Recording tools for the assessor
 - Mapping documents showing how the assessment tasks relate to the requirements of the unit of competency or module.
- In some cases, ANIE has grouped units of competency or modules together to form a cluster/subject. In this case, assessment requirements may relate to a group of units rather than one unit.

6. Submission, feedback and re-assessment

- Students must submit each task with a completed and signed Assessment Task Cover Sheet within timelines specified in the assessment instructions.
- Written and theoretical tasks will be assessed within 1 week of submission. Each task will be marked as Satisfactory or Not Satisfactory. A unit or module will be marked as Competent once all tasks for the unit or module have been marked as Satisfactory. If units are clustered, failing in the relevant assessment will be treated as NYC in all units inside that cluster.

TA2-I: Training and Assessment Policy & Procedures

- Students have up to three attempts per assessment task. Where a task is marked as Not Satisfactory, the student will be provided with feedback and be given the opportunity to resubmit/re-attempt the task.
- Where a student exhausts their attempts at re-assessment, Reassessment Policy will be activated.
- Students will receive detailed feedback for each task either in written or verbal form from their assessor.

7. Assessment appeals

- Students have the right to make an appeal against an assessment decision by following the *Complaints and Appeals Policy and Procedure*.

8. Recognition of Prior Learning (RPL)

- Recognition of Prior Learning is available for all Courses and all students are offered the opportunity to participate in RPL upon enrolment.
- A streamlined RPL process has been developed which requires the student to make a self-assessment of their skills, participate in an interview with an assessor, provide documentary evidence and demonstrate practical skills where relevant.

9. Student plagiarism, cheating and collusion

- Students are expected to complete all assessments ethically: without plagiarism, collusion or cheating. Any students suspected of unethical behaviour will be managed through the disciplinary procedures which may require the student to attend disciplinary meetings, submit their assessment again. For repeated violations of this policy, the student may be asked to withdraw from the course.

10. Arrangements with third parties to deliver training and assessment

- Any third party delivering training and assessment services on behalf of ANIE are required to deliver them in line with ANIE's policies and procedures. Refer to the *Third Party Agreements Policy and Procedures* for further detail. ANIE does not have any third party currently to delivery any training or assessment services. Where the third party is an education agent, the *Education Agents Policy* should be followed.

11. Record keeping

- ANIE will comply with the requirements of ASQA's General Direction: *Retention requirements for completed assessment requirements* available at https://www.asqa.gov.au/sites/g/files/net2166/f/GENERAL_DIRECTION_Retention_requirements_for_completed_student_assessment_items.pdf. This means that assessments and all corresponding evidence will be kept on file for 6 months after the assessment decision has been made.

12. Feedback and improvements

- ANIE collects feedback about its training and assessment practices and systems from students, trainers/assessors and employers (if any). Feedback will be collected regularly, collated and analysed in order to bring about effective improvements. Refer to the *Quality Assurance Policy & Procedures* for further details.

Trainer and Assessor will refer these resources to the student first. ANIE does not have scope to offer recognized English training. If the student needs further support on English, ANIE has a paid subscription with English teaching website https://www.fluentu.com/. It has step-by-step English exercises with video content. The trainer and assessor will guide the student into this website so that the student learns how English is used into different contexts. If the student requires further help, ANIE may send the student in ELICOS colleges at student's own expense and make necessary changes in the CoE. • The DoS or Trainer will further discuss the needs with the student to identify how ANIE can support the student. An individual support plan may be developed to assist the student through the course. Or, the student may be referred to an external service for support before enrolment • A student may not be offered a place for enrolment if ANIE is not able to support the student in the course. We will inform it to the student and provide advice on alternative pathways. 	Administration Team & Director of Studies
<p>B. Language, literacy and numeracy assessments</p> <ul style="list-style-type: none"> • Students may be required to complete an LLN assessment as part of the enrolment process. ANIE does not have any scope to offer nationally recognized training on LLN. However, an individual support plan may be developed to outline the support required for the student. It may mean providing referral to http://www.bbc.co.uk/skillswise/english. This website has resources for developing skills like reading, writing, spelling, speaking and listening. The trainer and assessor can also use LLN resources available in www.readingwritinghotline.edu.au, where ANIE is a registered user. Student may also be referred to external services e.g. TAFE to further develop LLN skills. 	
<p>C. Individual support plans</p> <ul style="list-style-type: none"> • For students that have had individual support requirements identified, an Individual Support Plan will be developed which will outline the strategies used to provide the student with additional support over and above what is normally offered in the course. • This may include: <ul style="list-style-type: none"> – Placing the student in a tutorial class with students having similar problem. – Additional one-on-one support from the trainer/assessor. – Assigning of a mentor/coach that is able to provide additional support in the workplace and who works closely with the student and the trainer/assessor. – Adjustments to the way training resources are accessed or provided. – Adjustments to the way assessments are to be conducted or extra time for assessments. – Linking with additional resources <p>Students who have similar individual requirements may be placed in a group-based support environment.</p>	<p>Director of Studies or Trainer/Assessor</p>
