To apply to enrol in a course, you must complete an Enrolment Form for International Students, which is available through the web site or from reception or through your agent. If you are applying for a course that has entry requirements you will also need to provide the necessary evidence such as verified copies of previous qualifications, identification including your passport, schooling and evidence of English Language level (within the last 2 years) such as IELTS or TOEFL or equivalent English tests.

If you are applying for Credit you should indicate this on your enrolment and supply certified copies of your transcripts, so we can assess your application for Credit. See the section on Credits in this Handbook. This only applies to VET students.

Once you have completed your enrolment form and gathered all the necessary evidence, send it to [admissions@anie.edu.au](mailto:admissions@anie.edu.au). A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

*For information about exemptions for individuals please review this webpage:*

<https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit:

<http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

### **Credit**

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

ANIE can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your enrolment/application. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

## **Reduction of Course Duration as a result of Credit or RPL**

If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, ANIE will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration.

## **Recognition of Prior Learning**

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

ANIE has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised to pay these fees upon contacting us. Check Schedule of Charges in Letter of Offer for RPL Fees.

For more information about submitting an application for RPL, contact the Administration office. If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, ANIE will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration.

**Introduction to Australia**

Covering a total area of 7.69 million square kilometers, mainland Australia is the world's largest island - but smallest continent.

In distance, the continent stretches about 3700 kilometers from north to south and 4000 kilometers from east to west, making it the sixth-largest nation after Russia, Canada, China, the United States and Brazil.

Australia is also the only continent that is governed as a single country. It is sometimes informally referred to as an 'island' continent, surrounded by oceans.

Our ocean territory is also the third-largest in the world, spanning three oceans and covering around 12 million square kilometers. We also have one of the most urbanised and coast-dwelling populations in the world, with more than 80 per cent of residents living within 100 kilometers of the coastline. Australia currently has a population of almost 23 million people.

### **Cities, states and territories**

Australia is divided into six states and two territories.

**Canberra** is the national capital and the centre of government. It is located approximately 290 kilometres south of Sydney in the Australian Capital Territory (ACT).

**Queensland** is Australia's second-largest state in size. The state capital is **Sydney**, the third most populated city in Australia.

**New South Wales** is Australia's oldest and most populated state. It was originally settled as a penal colony on the shores of Port Jackson where the bustling capital city of **Sydney** now stands. More than a third of Australians live in New South Wales, and **Sydney** is the nation's largest city.

**Victoria** is the smallest of the mainland states in size but the second most populated. **Melbourne** is the capital and is Australia's second most populated city.

**South Australia** is a state in the southern central part of the country which covers some of the most arid parts of the continent. It is the fourth largest of Australia's states and shares its borders with all of the mainland states and the Northern Territory. The state capital is **Adelaide**, the fifth-largest city in Australia.

At the top end of Australia lies the **Northern Territory**. **Darwin**, on the northern coast, is the capital, and Alice Springs the principal inland town. Alice Springs is the physical heart of Australia, almost exactly at the nation's geographical centre.

**Western Australia** is Australia's largest state by area. About three-quarters of the state's population live in the capital **Perth**, which is the fourth most populated city in Australia.

**Tasmania** is separated from mainland Australia by Bass Strait and is the smallest state in Australia. The capital, **Hobart**, was founded in 1804

### **Climate**

Australia experiences temperate weather for most of the year but the climate can vary due to the size of our continent. The northern states typically experience warm weather much of the time, with the southern states experiencing cooler winters. Australia is also one of the driest continents on earth with an average annual rainfall of less than 600 millimetres. Like all countries in the southern hemisphere, Australia's seasons are opposite to those in the northern hemisphere. December to February is summer; March to May is autumn; June to August is winter; and September to November is spring.

### **Introducing Sydney**

Sydney, capital of New South Wales and one of Australia's largest cities, is best known for its harbour front Sydney Opera House, with a distinctive sail-like design and Harbour Bridge. It's home to beautiful beaches, iconic buildings, historic landmarks, award-winning restaurants, and a vibrant culture.

Take a stroll along Circular Quay and soak up the atmosphere or visit Queen Victoria Building in the heart of Sydney's CBD. Sydney offers an array of cultural activities for people of all ages. Sydney is home to an abundance of cafes, canteens, restaurants, kiosks, gourmet food trucks, popup eateries etc. Sydney is a great place to access international brands and local designers whose wares can be found in shopping centres, outdoor strips and market-style popups throughout the city. Sydney's idyllic parks have garnered international attention for their natural beauty and unspoiled old world feel. You'll find plenty of things to see and do in Sydney. Sydney Harbour is a natural playground, and the views are world-class. There's a wide-ranging cultural life, a dynamic food scene and vibrant cityscape of outstanding contemporary and colonial architecture. Iconic beaches – most notably Bondi and Manly – and five major national parks deliver unforgettable outdoor experiences.

### Cost of Living

International students are required to demonstrate and/or declare that they have genuine access to sufficient funds to be granted a Student visa. This includes funds to cover travel, tuition and living expenses. Students may have to demonstrate sufficient funds to cover these expenses for themselves and their accompanying family members while staying in Australia.

While international students can supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they do not to rely on such work to meet all their expenses.

As per <https://prisms.education.gov.au/Information/News/News.aspx?NewsId=563&refer=sub> , from 23<sup>rd</sup> October 2019, Student visa students and their family members must have access to the following funds to meet the living costs requirements:

1. For a primary applicant: AUD21,041
2. For a spouse or de facto partner of the primary applicant: AUD7,362
3. For a dependent child: AUD3,152
4. Annual school costs: AUD8,296
5. Personal annual income if there is no secondary applicant: AUD62,222
6. Personal annual income where there is a secondary applicant: AUD72,592

Student must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

While Department of Home Affairs, requires student visa student to possess above mentioned fund, cost of living in Sydney varies per student visa student's lifestyle. A general guide to costs of living (*accommodation, groceries, eating out, gas, electricity, phone and internet, car (after purchase) and entertainment*) per week can be found in the below links

### Notifying change of address

You must tell ANIE:-

- The address where you live in Australia within seven calendar days of arriving in Australia.
- If you change your address, phone number or email address later, you must update ANIE within seven calendar days of the change.

- If you change education provider, within seven calendar days of receiving the electronic confirmation of enrolment certificate or evidence of enrolment, you must notify ANIE

## Visas

Most international students wanting to study in Australia require a **student visa**. Some other visa holders are also eligible to study as international students in Australia. Many students apply for a visa themselves on-line or via the Australian Diplomatic Mission in their country. The visa application process can be complicated and for students from some countries it may be better to submit an application with the assistance of an accredited agent due to their familiarity and experience in the field. You should check with the education provider in Australia for their accredited agents in your country.

In order to apply for a visa, you will need a **valid passport**, an **electronic Confirmation of Enrolment (eCoE)** and any **other documentation** required by the Australian diplomatic mission with which you lodge your application.

You must ensure to **allow enough time** for processing between lodging your application and the start of your academic program, as it can be a lengthy process depending on your country of origin. Usually we advise to start the process at least 3-4 months before class start date.

## Visa Conditions

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link: <https://www.homeaffairs.gov.au/trav/stud>

Conditions include (but are not limited to) that you must:

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.
- Only work if you have been given permission to do so as part of your visa grant.
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

<https://www.homeaffairs.gov.au/Trav/Visa/Char>

Under Department of Home Affairs' the Simplified Student Visa Framework arrangements (<https://www.homeaffairs.gov.au/busi/Educ/simplified-student-visa>) streamlined evidentiary requirements apply and the student visa student may be able to satisfy the Department of their financial capacity and English language proficiency by declaration only. This is dependent on the level of risk rating of each student visa application. This is determined by taking into account the risk rating allocated to the country from where the student originates combined with the risk rating allocated to ANIE as a provider on the CRICOS register. The easiest way to determine the evidence required to satisfy the visa requirements is for the prospective international student to utilise the Document Checklist Tool provided with the Student Visa (subclass 500) requirements page We strongly recommend to use the following link

<https://www.homeaffairs.gov.au/Trav/Visa-1/500-?modal=wet> .

All students, regardless of the financial capacity and English language proficiency will continue to have to meet all other core visa criteria, such as the Genuine Temporary Entrant requirement and health and character criteria.

### **Department of Home Affairs (DHA)**

The Australian Government's Department of Home Affairs provides comprehensive information about student visa requirements and the application process, as well as application document checklists to assist you with your application. Visit [DHA](#) for the latest information.

## Education Agents

Education agents promote various Australian education programs and institutions internationally and are a good way for students to apply to study in Australia. Most agents speak both English and the local language so this makes the application process a lot simpler and generally hassle free for students and parents. Most do not charge for their service as they collect a commission from the institution you choose to attend. However, some agents do charge small amounts or offer additional services for which they charge. It is student's responsibility to keep copy of the receipts for the payments they make to agents. Students need to provide relevant information and documents to agents.

Please Note: Education Agents are NOT licensed to provide migration advice. Please check the [ANIE website](#) for a full list of agents. Students are advised not to communicate any agent that is not on ANIE's website for getting admissions in ANIE.

## Working in Australia

If you have been granted your student visa, you will receive permission to work with your visa grant. This will also apply to any family member travelling with you on your student visa. You are not allowed to work until your course has started and you can work up to 20 hours a week while your course is in session (not counting any work undertaken as a registered component of your course of study). However, you can work more than 20 hours per week during recognised vacation periods offered by ANIE and scheduled during the course. Your family members are not allowed to work until you begin the scheduled course. Family members are permitted to work up to 20 hours per week all times after your course has commenced.

Further information about student visa conditions can be found at the Department of Home Affairs: <http://www.homeaffairs.gov.au/>

## Working in Australia

Australian workplace laws provide basic protection and entitlements for all workers in Australia, including workers from overseas. International students have the same entitlements to minimum wages and conditions as Australian workers, as well as superannuation, workers' compensation and work safety protection under Australian workplace and taxation laws. Minimum wages and employment conditions for different occupations or industries, known as industrial awards, are set out by Fair Work Australia and are available online at <https://www.fairwork.gov.au/awards-and-agreements>.

Australian laws also protect you from being discriminated against at work, for example because of your race or your visa status. This could happen when you are applying for a job, about to begin a job, or at any time during your employment. For more information about discrimination at work, visit

<https://www.fairwork.gov.au/employee-entitlements/protections-at-work/protection-from-discrimination-at-work>.

If you feel you are being unfairly treated by your employer, you can contact the Fair Work Ombudsman ([www.fairwork.gov.au](http://www.fairwork.gov.au)) for free advice and complaints assessments. You can also call 13 13 94 from 8am – 5.30pm Monday to Friday inside Australia (except public holidays). The Fair Work Ombudsman is an independent legal agency that provides information and assistance for workers and employers to ensure they comply with Australian workplace laws. Seeking assistance to resolve a workplace issue will not automatically affect your student visa. You are not allowed to work until your course has started and you can work up to 20 hours a week while your course is in session (not counting any work undertaken as a registered component of your course of study). However, you can work more than 20 hours per week during recognised vacation periods offered by ANIE and scheduled during the course. Your family members are not allowed to work until you begin the scheduled course. Family members are permitted to work up to 20 hours per week all times after your course has commenced. Work conditions for student visa holders can be found on the Department of Home Affairs website at <https://www.homeaffairs.gov.au/trav/stud/more/visa-conditions/visa-conditions-studentsWorkrights>.

The Australian government allows non-Australian citizens to study in Australia with a student visa. A student visa is only issued if you have enrolled and have been accepted through an approved registered Australian Government provider for overseas students. Prior to enrolling it is important that you understand the visa regulation for your country of origin. Details about student visas can be found at [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au) or contact your local Australian Embassy/Consulate. International students are permitted to work up to 40 hours per fortnight during study period and full-time during holidays. Students who choose to work, are required to apply for a work privilege after enrolment. ANIE does not organize work for students. Work hours are not to interfere with your college timetable. If you require any further information about your workplace rights and obligations, for example, resolving a workplace dispute, visit the Fair Work Ombudsman site at [www.fairwork.gov.au](http://www.fairwork.gov.au)

## Tax file number

You must obtain a Tax File Number to be able to work in Australia. This is available from the Australian Tax Office <https://www.ato.gov.au/Individuals/Tax-file-number/>.

## Arranging Travel

You will need to make your own travel arrangements to Australia. Please try to arrive at least 1-2 weeks before the start of International Student Orientation to allow enough time for settling-in, adjusting to the climate and overcoming jet-lag. If you are travelling with your family you will need to include their documents as well. **Keep all documents in your carry-on luggage.** In case you lose the originals, make copies that can be left behind with family and sent to you.

## Keeping in Contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have **arrived safely**. It is important to **ALWAYS** let someone know where you are and how to contact you by phone or by post.

On your arrival please contact the College on 1300 812 355 or +61 2 9620 5501.

## Documents

You should prepare a folder of **official documents** to bring with you to Australia, including:

- Valid passport with Student Visa
- Offer of a place / admission letter from ANIE
- Confirmation of Enrolment (CoE) issued by ANIE
- Receipts of payments (e.g. tuition fees, OSHC, bank statements etc.)
- Insurance policies
- Original or certified copies of your academic transcripts and qualifications
- Other personal identification documents, e.g. birth certificate, ID card, driver's licence
- Medical records and/or prescriptions

## On Your Flight

Wear comfortable, layered clothing so that you can adjust per the local weather. Remember – if you are flying from a northern hemisphere winter into the Australian summer it will be **very HOT** so wear light weight clothing underneath, and have a pair of sandals or lighter shoes in your hand luggage if you need cooler footwear. Alternatively, extra clothing may be required on-hand if flying into the Australian winter season.

Before landing in Australia passengers are given an Incoming Passenger Card to fill in. This is a legal document. You must tick ✓ YES if you are carrying any food, plant material including wooden souvenirs, or animal products. This includes fruit given to you during your flight. If you have items you don't wish to declare, you can dispose of them in quarantine bins in the airport terminal. Don't be afraid to ask airline staff if you have any questions.

If you are carrying more than **\$10,000** in cash, you must also declare this on your Incoming Passenger Card. It is **strongly recommended** however, that you do not carry large sums of cash but arrange for an electronic transfer of funds into your Australian bank account once it has been opened.

The standard voltage for electrical items in Australia is 240V. Electric plugs have three flat pins one of which is an earth pin. You may need to buy an adaptor or have the plugs changed when you arrive.

Note: In the picture, the red dot indicates that the switch is on and power is flowing through that socket.

## Clothing

If you arrive in June or July, the coldest months of the year, you may need to bring or buy winter clothing and blankets. You may also need to purchase a heating appliance once you arrive.

On most campuses, students usually dress informally. Jeans or slacks with t-shirts or blouses, sneakers or “running shoes” are almost standard dress. Shorts are often worn during the summer months and sandals are the most common footwear. It is acceptable for both men and women to wear shorts and sleeveless t-shirts. This is common during the hotter months.

While there are no set rules on clothing in Australia, however many workplaces, restaurants, clubs and bars have a dress code. Australian people generally dress in modern clothing influenced by personal taste, status, place of work, lifestyle and location.

The cost of clothing in Australia can vary. There are a number of quality variety stores such as K-Mart and Big W where you can find low cost clothing and shoes of all varieties. Department and specialty stores such as Myer and David Jones carry more expensive higher end clothing labels.

For more information about the cost of living, visit the Study in Australia website at:

<http://www.studyinaustralia.gov.au/global/live-in-australia/living-costs>

## Budgeting

Once you’ve settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and child care, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at [www.understandingmoney.gov.au](http://www.understandingmoney.gov.au)

## Bringing Goods

Bringing a PC or laptop into Australia may be a little more complicated. Laptop computers and other similar electronic equipment for personal use may be brought in duty free provided the Department is satisfied these goods would be taken back on departure. However, if there is no intention to re-export the laptop on departure from Australia, any applicable Customs duty and GST will be payable if passenger concession has been exceeded.

General goods such as gifts, souvenirs, cameras, electronic equipment, leather goods, perfume concentrates, jewellery, watches and sporting equipment worth AUD900.00 is allowed for people aged 18 years and above. For people below 18 years, the concession is limited to AUD 450.00.

Personal goods owned and used for more than 12 months prior to arrival are allowed in tax-free. Proof of the date of purchase and purchase price may be required.

Refer <https://www.homeaffairs.gov.au/Trav/Ente> for further details.

## Entry into Australia

### Australian Immigration

When you first arrive in Australia you will be required to make your way through Australian Immigration (follow the signs for Arriving Passengers as you leave the plane). An Immigration Officer will ask to see your completed Incoming Passenger Card (given to you on the plane) along with your passport and student visa evidence. The Immigration Officer will check your documents and may ask you a few questions about your plans for your stay in Australia.

### Baggage Claim

Once you have passed through the immigration checks you will move to baggage claim (follow the signs) and collect your luggage. Check that nothing is missing or damaged. If something is missing or damaged go to the **Baggage Counter** and advise them of your problem. Staff at the Baggage Counter will help you to find your belongings or lodge a claim for damage.

### Detector Dogs

You may see a **Quarantine Detector Dog** at the baggage carousel or while waiting in line to pass through immigration, screening luggage for food, plant material or animal products. If you see a detector dog working close to you, please place your bags on the floor for inspection. These dogs are not dangerous to humans and are trained to detect odours. Sometimes a dog will sit next to your bag if it sniffs a target odour. Sometimes dogs will detect odours left from food you have had in the bag previously. A quarantine officer may ask about the contents of your bag and check you are not carrying items that present a quarantine risk to Australia.

### Australian Customs and Quarantine

Once you have your luggage you will go through Customs. Be careful about what you bring into Australia. Some items you might bring from overseas can carry pests and diseases that Australia doesn't have. You must **declare ALL** food, meat, fruit, plants, seeds, wooden souvenirs, animal or plant materials or their derivatives.

Australia has **strict quarantine laws** and tough on-the-spot fines. Every piece of luggage is now screened or x-rayed by quarantine officers, detector dog teams and x-ray machines. If you fail to declare or dispose of any quarantine items, or make a false declaration, you will get caught. In addition to on-the-spot fines, you could be prosecuted and fined more than AU\$60,000 and risk 10 years in prison. All international mail is also screened.

Some products may require **treatment** to make them safe. Items that are **restricted** because of the risk of pests and disease will be seized and destroyed by the **Australian Quarantine and Inspection Service (AQIS)**.

For more detailed information about bringing in food, animals, plants, animal or plant materials or their derivatives visit <http://www.homeaffairs.gov.au/>.

## Getting from the Airport

### Train

Airport Link is a fast and convenient way to reach the centre of Sydney. Trains run approximately every 10 minutes and the journey to the city takes only 13 minutes. The international and domestic rail stations link directly to the City Circle line, which means most city destinations are within a short

walk of stations. You shall require an Opal Card to travel via Sydney's train, bus and ferry system. You can get an Adult or Child/Youth Opal Card from the Airport Train Station, Relay and WH Smith. Train Ticket fares and other details are available at <https://www.opal.com.au/> .

More details are available on:

<https://www.sydneyairport.com.au/airport-guide/arriving/international/transport-options-international#train-transport-options-parking-and-transport> .

### **Taxis**

Each terminal has its own sheltered taxi rank with supervisors on hand during peak times to ensure a smooth flow of taxis for travelers.

Taxi Rank Locations, Taxi Fares and few Taxi companies are available on

### **Accessing Money**

You should read this section carefully, and discuss the issues raised in this section with the bank or financial institution in your home country before you leave. All banks operate differently and you should be aware of all fees, charges, ease of access to your funds, and safety of the way in which you will access those funds.

### **How Much to Bring**

You will need to make sure you have enough funds to support you when you first arrive. It is recommended that you have approximately **AU\$2000 to AU\$5000** available for the first two to three weeks to pay for temporary accommodation and transport. You should bring most of this money as either **Traveller's Cheques** or on an international credit card. Traveller's cheques can be cashed at any bank or currency exchange in Australia.

Please note that it is **not safe to bring large sums of money** with you! Lost credit cards or traveller's cheques can be replaced, but very few travel insurance companies will replace lost or stolen cash. Do not ask someone you have just met to handle your cash for you or to take your cash to make payments for you. Not even someone who may indicate they are studying at the same education institution.

### **Currency Exchange**

Only Australian currency can be used in Australia. If you have not brought some with you, you will need to do so as soon as possible after arrival. You can do this at the airport. Once you have arrived in Sydney, you can also change money at any bank or at currency exchanges at Major Shopping Centres

### **Electronic Transfer**

You can transfer money into Australia by **electronic telegraph or telegraphic transfer** at any time. This is a fast option and will take approximately **48 hours**, but the bank will charge a fee on every transaction.

### **ATMs**

Automatic Teller Machines are located everywhere (including at the airport) and you can immediately withdraw cash from your overseas bank account at **ATMs displaying the Cirrus Logo**. Check this with your financial institution before leaving home.

## Credit Cards

All major international credit cards are accepted in Australia but you must remember that **repayments** to many of these cards can only be made in the country where they were issued. Do not rely on being able to get a credit card once you arrive in Australia because this is very difficult due to credit and identification laws.

## Temporary Accommodation

### Hotels, Motels & Backpackers

Generally, the price you pay for accommodation will determine its quality. However, it can be expensive to stay in a good quality motel or hotel for a long period. Backpacker accommodation is relatively inexpensive but you may need to bring your own pillow and sleeping bag if you choose this option.

### Staying with Friends or Family

If you know someone in Australia, this is a great way to settle-in to life here. Your friends or family can provide advice, support and encouragement in your first days in Australia. However, if you are under the age of 18 you must obtain approval from your education provider first.

## Permanent Accommodation

When you are studying, it is important to have a good home base where you feel safe and relaxed. Transport is another consideration. There are many accommodation options for international students in NSW.

### **Bringing My Family**

Most student visas allow you to bring your family members to Australia as your dependants (check your individual circumstances with the Department of Home Affairs). Family members include your spouse, and you and your spouse's dependent children. Before bringing your spouse or children to Australia, you must prove that you can support them financially. The cost of supporting a family in Australia is very high.

### **Issues to Consider**

Rather than bringing your family together with you to Australia, some students may find it useful to arrive first, settle into studies, find appropriate accommodation, adjust to living in Australia and then arrange for their family to join them.

Before deciding to bring your family to Australia it is important to consider the following issues:

- The cost of airfares for your family to and from Australia;
- Possible higher rent for a larger home;
- Limited employment opportunities for your spouse;
- Extra costs for food, clothing and other necessities;
- The effect on you and your studies if your family is not happy in Australia;
- Whether your children will adjust to school in Australia;
- Waiting lists for child care centres; and
- Whether to come alone to Australia first and arrange things for your family or to all come at the same time.

For more information visit the Department of Home Affairs).

### **Child Care**

Finding suitable childcare in Australia requires patience and planning. Waiting lists for places in most childcare centres are long.

- Centre-based childcare \$70-\$192 per day
- Family day care \$7.50-\$16.80 per hour dependent on location and service

- Nannies \$17-\$25 per hour live in \$17-\$35 per hour live out (+agency fee)
- Au pairs (living in your home) \$200-\$300 per week (+agency fee)

## Schools

In Australia children must attend school from five years of age until the completion of Year 10. Young people that have completed Year 10 must participate in full-time education, training or employment, (at least 25 hours per week) or a combination of these activities until they reach 17 years of age.

If you have school age dependents you will need to make arrangements for your children to enter school in Australia. Students from countries around the world enrol in New South Wales government, independent and private schools every year. NSW government schools are recognised for their excellent quality education programs.

You can choose from a wide range of schools close to where you will be living. The New South Wales government provide:

- An excellent, world-class standard of education from the largest education provider in Australia
- The opportunity to study alongside Australian students in a friendly, safe, multicultural environment
- A wide range of subjects, sporting and creative arts programs, leadership programs
- Professional, university trained teachers
- An environment that encourages students to express themselves, develop independent learning skills and to interact in the classroom and in the community
- Intensive English Language support for students of non-English speaking background

## Health

### Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

### Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

## Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

## Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

## Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Home Affairs (DHA) requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC [www.ahmoshc.com](http://www.ahmoshc.com)
- BUPA Australia [www.overseasstudenthealth.com](http://www.overseasstudenthealth.com)
- Medibank Private [www.medibank.com.au/Client/StaticPages/OSHCHome.aspx](http://www.medibank.com.au/Client/StaticPages/OSHCHome.aspx)
- OSHC Worldcare [www.oshcworldcare.com.au](http://www.oshcworldcare.com.au)
- NIB OSHC [www.nib.com.au/home/newtonib/overseasstudents](http://www.nib.com.au/home/newtonib/overseasstudents)

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or

General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at [www.privatehealth.gov.au](http://www.privatehealth.gov.au) or [www.iselect.com.au](http://www.iselect.com.au)

## **Introduction to Australian Vocational Education and Training**

### **What is VET?**

Australia's Vocational Education and Training (VET) system is based on nationally endorsed industry training packages which identify specific skills and knowledge applied in the workplace. Students' undertaking a VET qualification must demonstrate the skills and knowledge identified in a training package and be assessed as 'competent' in the selected units of competency to be eligible for the award of the qualification.

### **What is Competency Based Training?**

Competency based training is training that develops the required knowledge and skill to the standard of performance required in the workplace. It embodies the ability to transfer and apply skills and knowledge to new situations and environments. Competency is achieved by being assessed against requirements of the unit of competency. Your assessor will make a judgment of your competency after reviewing all the different types of assessment evidence you provide.

### **Training Packages**

Training Packages represent the national industry benchmarks for Vocational Education and Training. Training packages set out the competency to be achieved but do not state how the training should be delivered. This means that students may complete their qualification in different ways between various training organisations. The training package also specify the relevant qualification rules including the compulsory core units and be included in a course and the elective units which are available.

### **Delivery of Training**

Students will receive all the training for which they have enrolled. To be awarded a qualification, all assignments and assessments must be completed to a satisfactory level and submitted in accordance with instructions and within timeframes prescribed. Students are advised of the specific requirements to receive a qualification in their area of study as part of enrolment and when training delivery commences.

ANIE takes responsibility for the quality of the training and assessment being provided to students, and for the issuance of AQF certificates.

## Results and certificates

On completing the training program with ANIE, you will receive a nationally recognised qualification. The qualification is recognised within the [Australian Qualifications Framework](#). Qualifications are formatted to a uniform standard to ensure they are valid documents and will be instantly recognised throughout Australia. A qualification issued by ANIE will be accompanied by a transcript which will detail the units of competency issued within the qualification.

Where a student does not complete the entire course requirements, they may be entitled to receive a Statement of Attainment. A Statement of Attainment is issued by a Registered Training Organisation when an individual has completed one or more accredited units. A Statement of Attainment can be used as a basis for recognition of your current competence with other Registered Training Organisations within Australia.

A statement of results will be available to you upon request throughout your training. This will provide you information of your progress.

## International English Language Testing System (IELTS)

IELTS is the world's most recognised English language testing system. Students applying for a student visa will need to provide evidence that they meet the English language requirements set by the Australian Government and education provider. ANIE course entry requirement is a minimum IELTS Overall Band Score of 5.5. A score of 5.5 indicates that the person will have a partial command of the language, coping with overall meaning in most situations, though is likely to make many mistakes. The person should be able to handle basic communication in their own field.

ANIE requires you to submit evidence of your IELTS results (Overall Bank Score of 5.5 or higher) with your enrolment form. This will depend on the results of the Document Checklist Tool provided with the Student Visa (subclass 500) requirements page of [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au)

Applications for enrolment that are not accompanied with this evidence will not be accepted. To locate an IELTS testing centre in your area, please visit the IELTS website for further information:

<https://www.ielts.org/book-a-test/find-a-test-location>

- If you submit any other English proficiency test, we will use the table to assess your English competency given in <https://www.homeaffairs.gov.au/Trav/Stud/More/Student-Visa-English-Language-Requirements>

## Verification of IELTS and Education Level

ANIE reserves the right to validate the IELTS proficiency assessment and the submitted evidence of School Certificate equivalence. Verification will be undertaken by:

- **IELTS proficiency.** ANIE may utilise the <https://www.ielts.org/en-us/ielts-for-organisations/processing-and-verifying-ielts-results> to assess the validity of all evidence submitted of IELTS proficiency.
- School Certificate equivalence. Where evidence submitted by a student does not clearly demonstrate the equivalence to the Australian School Certificate, ANIE may obtain a confirmation from the <https://www.tafesa.edu.au/international/entry-requirements/year-12-overseas-equivalent> at its own cost.

## Unsuccessful Student Visa and Tuition Protection Services

If your student visa application is NOT approved, you must contact ANIE and advise us and apply in writing for a refund of student fees in accordance with our Fee Refund Policy.

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent tuition fees.

Australia has a well-established international education sector with education providers delivering a high-quality education to international students. For many years now, Australia has been a world leader in protecting the tuition fees of international students studying in Australia on a student visa. Recent changes to the Education Services for Overseas Students (ESOS) Act have further strengthened protections for international students through the introduction of the Tuition Protection Service (TPS).

In the unlikely event your education provider is unable to deliver a course you have paid for and does not meet their obligations to either offer you an alternative course that you accept or pay you a refund

of your unspent prepaid tuition fees (this is called a provider's 'default obligations'), the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

### **Course induction**

At the start of your course will be provided with an induction. The induction will provide you with specific details about your course requirements, important dates and will be an opportunity to meet your trainer and the other students in your course.

As an international student you will also be provided with information on:

- details of internal and external support services available to assist in the transition into life and study in Australia. Such services include welfare services, accommodation services, academic and career advice, IT support, and student learning assistance, English language support and social inclusion activities.
- legal, emergency and health services
- safety and awareness relevant to life in Australia
- information on how to see assistance for and report an incident that impacts significantly on your well-being, including critical incidents
- facilities and resources
- organisational policies and procedures including course progress, attendance monitoring, deferral, suspension and cancellation, course transfer and complaints and appeals.
- any student visa conditions relating to course progress and attendance.

The induction will also provide you with important information about health and safety requirements including emergency evacuation procedures, critical incidents and incident reporting (see section in this handbook on health and safety), as well as a range of other important matters relating to your rights and responsibilities as a student.

The induction also provides an opportunity for you to ask any questions you might have about studying with us. During this induction, we also make sure that we have all the required forms and paperwork filled in.

At your induction you will receive your first set of learning materials so that you can start on your learning journey.

General housekeeping arrangements are also discussed as stated in the section below.

### **Course expectations and requirements**

#### **VET Students**

The training and assessment offered by ANIE focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency based training and assessment. Each of the components of your course is a “unit of competency”. You may either be studying one or a few units of competency or a set of units that make up a total

qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Generally, our courses may involve face-to-face classes, and preparation of assessments in home.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations. There is no percentage (%) or grade-based marking system in VET sector. Students are assessed as either “Competent” (i.e passed) or “Not Yet Competent” (i.e. failed) for the units of competency.

### **Attendance and Homework/Homestudy requirements**

If you are enrolled in a course, it is an expectation that you attend every class so as to not fall behind. ANIE monitors and records the course attendance of students on a regular basis. We do this by monitoring the class attendance via an attendance record that requires the student’s signature at the start and end of a training day. Satisfactory course attendance is defined as a student attending at least 80% of scheduled course contact hours for each study period. Please notify your trainer at least 30 minutes prior to class if you are unable to attend for genuine reasons. A student who is identified as having unsatisfactory attendance without acceptable explanation, will be managed via a range of intervention strategies.

A student who has missed more than 20% of the scheduled contact hours **in two fortnights** will receive a formal letter from the Student Support Manager asking them to contact the DoS and to attend a formal counselling session. This session is to discuss the possible reasons for non-attendance and to work out what support is required to assist the students to improve their attendance pattern.

ANIE internal procedures require students to attend and maintain minimum of 80% of attendance all the time. Students who fail to maintain it for one term, will be communicated and an intervention strategy will be activated by DoS/CEO according to ANIE’s own attendance requirements for the students. Intervention strategy will continue till the next term end. Even after the intervention strategy is activated, if a student fails to attend 80% of the classes in two consecutive terms, the student will be **marked** to be reported to Department of Education, Skills and Employment Skills and Education (DESE) through PRISMS.

The irregular student will first be sent an Intention to Report Letter by Student Support Manager in consultation with the DoS informing the college’s decision to report him/her to the Department of Education, Skills and Employment for unsatisfactory attendance. This letter will also inform them they have 20 working days in which to access ANIE’s appeals process should they wish to appeal any decision to be made. **If the appeal’s outcome is not in favour of the student or student fails to provide convincing improvement plan, DoS may decide to report the student to PRISMS.**

There may also be an expectation that you complete a certain amount of home study each week in order to finish learning and assessment tasks required for completion of your course. Your trainer may guide you on what to do during this time and how much is expected.

### **Training arrangements**

The courses are delivered in a classroom environment and conducted face-to-face in Training sessions are trainer led in group sizes of no more than 25 students.

The training program is undertaken using a planned schedule. Training sessions will include the demonstration, explanation and practice.

Students will typically attend formal training sessions in three to four working days per week depending on the course. Each day has scheduled training over 4 to 8 hours, depending on the

course of study. Students may also need to work in commercial environment as the practical component of a course e.g. in kitchen for hospitality courses. Students are supposed to find their own workplaces if there is any workplace component in the training. ANIE Trainer and Assessor will visit such places to find out whether they are complaint work places. If a student fails to secure his/her work place, ANIE will proceed to find one for him/her. ANIE trainers & assessors will assess the students (during term) in real-life work conditions once in every 3 weeks.

### **Assessment arrangements**

Every unit of competency has several assessment tasks. Sometimes few units are combined, and a singled assessment is developed for them, which is called as “clustering”. At the beginning of each unit or cluster, your assessor will go through the arrangements for assessment tasks with you and you will be given all the details about the assessment requirements.

Before handing over each assessment task, you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessment tasks to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

### **Submitting your assessments**

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet.

Assessments must be submitted directly to the trainer/assessor.

You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file.

Written work will be marked within the time advised to you by your trainer or teacher, which cannot be more than 10 working days. Your assessor will provide you with written feedback and confirm the outcome of the assessment task, if the outcome is negative.

### **Assessment outcomes**

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can consult your trainer several times about the quality of you answers BEFORE formal submission of the assessment tasks. However, you can have ONE attempt to submit a task FORMALLY and achieve a Satisfactory outcome before the end of delivery of the unit.

If, after the delivery of a unit is over, you are assessed as Not Yet Competent for a unit, you will have ONE opportunity for resubmission subject to re-assessment fee. You will be given a timeframe for your resubmission and advised what you must include in your re-submission. If a student even fails in re-submission, he/she needs to complete additional training and assessment to support in achieving a Competent outcome. It may mean that the student be re-enrolled into the unit subject to consideration by the relevant trainer and director of studies.

Students must submit assessment tasks in due time. Late submissions will attract a fee. All assessment tasks of a unit must be submitted before the last day of the term, in which it was offered. After that, Reassessment policy will take over.

### Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training/teaching and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor/teacher if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs. Director of Studies may also be involved.

### Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

### Work Placement Arrangements:

ANIE is now offering two hospitality courses: SIT40516 - Certificate IV in Commercial Cookery and SIT50416 - Diploma of Hospitality Management. These courses have practical components which will be delivered in a simulated kitchen during training. ANIE has an arrangement with a kitchen where the practical components will be conducted. Address of this kitchen is: The Sapphire, 7 Station Road (North), Auburn, NSW 2144.

These courses require students to work in a commercial kitchen for 10 weeks on individual basis. The students need to arrange their own workplaces. ANIE trainer and assessor will visit these places on a pre-determined frequency and assess the student at work. He may also ask feedback from the kitchen owner on student's performance.

### Student plagiarism, cheating and collusion

ANIE has a Zero tolerance policy for plagiarism, cheating and collusion. Students are expected to act with integrity at all times and only submit work that is their own or that has been appropriately referenced and includes acknowledgements of all resource materials used in the preparing the work. Plagiarism includes the following:

- Copying from another student
- Handing in another person's work with or without the author's knowledge
- Copying an entire source and presenting it as your own
- Copying sections from a source without appropriate acknowledgement
- Paraphrasing material from a source without appropriate acknowledgement

- Constant non submission of assessments by their due dates

When you submit your assessments, you will be required to sign a declaration that the work provided is your own and that you have not cheated or plagiarised the work or colluded with any other student/s.

If you are found to have plagiarised, cheated or colluded, you will be given an opportunity to respond to the allegations. If a student's English skills are still not at the required level, the student will be referred to an ELICOS college to achieve the required standard before being enrolled in ANIE's programs. It will be reflected in new CoE. ELICOS Course fee will be borne by student.

### **Maintaining your Enrolment and Course Progress**

*You must meet course progress requirements in order to satisfy the conditions of your visa. These course progress requirements will be explained to you during the orientation program as well.*

'Satisfactory course progress' is defined as a student successfully completing all required assessments and units in the study period (e.g. one term) they are enrolled into. If a student fails in 50% or more of the units he/she studied in two consecutive terms, it will be treated as 'Unsatisfactory Course Progress' and ANIE will report them to Department of Education, Skills and Employment.

ANIE will assist you to meet the course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. ANIE reviews submission of assessment tasks after delivery of each unit is finished. Where we consider you are at risk of not meeting 'satisfactory course progress' requirements, we will issue you with a first warning letter inviting you attend a meeting to discuss why you are not meeting course progress requirements and support that you required. We can provide you with a range of support- from extra time to complete tasks, additional classes, advice to develop study habits to adjustment of study program (e.g. moving from one shift to another)- for meeting course progress requirements. Agreed plan will be documented in an Intervention Plan that both you and the Director of Studies will sign. The intervention plan will be updated in an agreed frequency until the student passes the unit/s.

Following the provision of this support, if your progress is still not satisfactory, you will be marked as NYC for the unit/s. If units are clustered, failing in the relevant assessment will be treated as NYC in all units inside that cluster.

Where you continue not to meet course progress requirements and reach the point of 'Unsatisfactory Course Progress', you will be reported to DHA for not meeting course progress requirements. DHA will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

When we will send you Intention to Report letter, you may appeal ANIE decision to report you to DHA within 20 working days from the date of that letter. However, an appeal will only be considered if ANIE has not recorded or calculated the student's marks correctly, has not provided appropriate support as set out in this policy, has not implemented other policies such as assessment and feedback which could impact on the student's results or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are considered to be compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- Bereavement of close family members such as parents or grandparents
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies.
- A traumatic experience which has impacted on the student and which could include involvement in, or witnessing of a serious accident; and witnessing or being the victim of a serious crime. These cases should be supported by police or psychologists' reports); or
- Where ANIE is unable to offer a pre-requisite unit.
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa.

Where your study load is reduced due to difficulties with meeting course progress requirements, this may mean that you will need to do additional subjects in future sessions to complete your course in the time specified in your student visa.

Director of Studies (DoS) or Chief Executive Officer (CEO) has the authority to decide in these matters.

### **Course Transfer**

All decisions made by ANIE with regard to student transfer requests will be made in accordance with this policy and procedure, will be fair and take into account the student's individual circumstances and any other relevant factors.

Transferring from another registered provider

- ANIE will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course unless one or more of the following conditions apply:
    - the releasing registered provider or the course in which the student is enrolled has ceased to be registered;
    - the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that registered provider;
    - the releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS;
    - any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.
1. Transferring to another registered provider
- For ANIE students seeking to transfer to another registered provider's course of study prior to completing six months of their principle course, the transfer request will be assessed and granted in any of the following circumstances:
    - the student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with ANIE's intervention strategy to assist the overseas student in accordance with Standard 8 (Overseas student visa requirements).
    - there is evidence of compassionate or compelling circumstances.
    - ANIE fails to deliver the course as outlined in the student agreement.

- there is evidence that the student's reasonable expectations about their current course are not being met.
  - there is evidence that the student was misled by ANIE or an education or migration agent regarding ANIE or its course and the course is therefore unsuitable to their needs and/or study objectives.
  - an appeal (internal or external) on another matter results in a decision or recommendation to release the student.
  - A transfer to another course will not be granted where:
    - The transfer may jeopardise the student's progression through a package of courses.
    - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another registered provider during which time the full range of support services will be provided to the student.
    - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
    - There are no legitimate compassionate or compelling circumstances.
  - In order for a request for transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another registered provider.
  - The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.
  - Where a student's application is refused, the reasons for this will be communicated plus the right to access the complaints and appeals process as outlined below.
  - There is no cost in releasing students. However, where a student transfers to another registered provider, any refund of course fees, where applicable, will be paid in accordance with ANIE's Fees and Refunds Policy and Procedures.
2. Transferring to another course offered by ANIE
- Students may transfer to another course offered by ANIE in the following circumstances:
    - Where it is considered that the course that the student wishes to transfer to;
      - better meets the study capabilities of the student; and/or
      - better meets the long term goals of the student, whether these relate to future work, education or personal aspirations; and/or
    - Or, where the student claims or can provide evidence that his or her reasonable expectations about the current course are not being met.
  - A transfer to another course within ANIE will not be granted where:
    - The transfer may jeopardise the student's progression through a package of courses.
    - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student.
    - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
  - In order for a request for transfer to be considered, students must complete an Internal Course

Transfer Application Form.

- The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.
- Cost involved in transferring to another course plus any refund of course fees paid for the student's current course will be in accordance with ANIE's Fees and Refunds Policy and Procedure.

### 1. Visa advice

All students who are either considering a course transfer, or have had their transfer request approved, will be advised that they must contact DHA to seek advice on whether a new visa is required. To find out more about visa requirements, students will be advised to contact DHA on 131881 or visit the following website: <https://www.homeaffairs.gov.au/trav/stud>

### 2. Complaints and Appeals

- Where the decision is made to refuse a course transfer or ANIE does not respond to the request in the timeframe set out in this Policy, the student may appeal against the decision by accessing ANIE's Complaints and Appeals process within 20 days. If the appeal finds in favour of a student wishing to transfer, a letter of release will be granted.
- The refusal status will not be finalised in PRISM until the complaints and appeals process is finalised within the 20 working day period or the student withdraws from the course.

Director of Studies (DoS) or Chief Executive Officer (CEO) has the authority to approve such transfer requests.

### 3. Records

All records relating to course transfers will be kept for two years after the student ceases to be an enrolled student. This includes requests for release, the assessment of the request and the decision.

#### Deferral, suspension and cancellation

##### 1. DEFERRAL AND SUSPENSION OF STUDIES

- Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:
  - serious illness or injury, where a medical certificate states that the student was unable to attend classes
  - bereavement of close family members such as parents or grandparents (Where possible a death certificate should be provided)
  - major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
  - a traumatic experience that has impacted on the student which could include involvement in, or witnessing of a serious accident or witnessing or being the victim of a serious crime. Such cases supported by police or psychologists' reports
  - where ANIE is unable to offer a pre-requisite unit

- inability to begin studying on the course commencement date due to delay in receiving a student visa

These circumstances are an example of what may be considered compassionate or compelling circumstances, however each case will be assessed on its individual merits.

- When determining whether compassionate or compelling circumstances exist, ANIE considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.
- A retrospective deferment or suspension may be justified if the student was unable to contact ANIE because of a circumstance such as being involved in a car accident.
- Where a student-initiated deferral or suspension of enrolment is granted, ANIE will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the deferral is required for longer than 12 months, the student's application will be re-assessed. If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

## 2. Provider initiated suspension or cancellation

- ANIE may suspend or cancel a student's enrolment including, but not limited to, on the basis of:
  - misbehaviour by the student (including plagiarism, collusion and cheating)
  - the student's failure to pay an amount he or she was required to pay the registered provider to undertake or continue the course as stated in the written agreement
  - a breach of course progress or attendance requirements by the overseas student, which will occur in accordance with Standard 8 (Overseas student visa requirements) and as specified in ANIE's *Course Progress Policy and Procedures*.
- Standards of behaviour required are outlined in the International Student Handbook.
- Where ANIE suspends or cancels a student's enrolment, before imposing a suspension or cancellation ANIE will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal through the provider's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.
- Under no circumstances will the suspension or cancellation of the overseas student's enrolment under Standard 9.3 cannot take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

## 2. STUDENT INITIATED CANCELLATION OF STUDIES

- Students may initiate cancellation of their studies at any time during their course.
- Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per ANIE Course Transfer Policy and Procedure.

## 3. COMPLAINTS AND APPEALS

- Where a student accesses the Complaints and Appeals process, ANIE will not notify DET via PRISMS until the internal appeals process is complete unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk. Where the student chooses to access an external appeals process, DET will still be notified via PRISMS.

## 4. RECORDS

- All records relating to deferrals, suspensions and cancellations will be kept on the student's file. This will include all decisions made.

### **Change in visa status**

When there is any deferral, suspension or cancellation action taken under this standard, ANIE will inform the student of the need to seek advice from DHA on the potential impact on their student visa, as well as the report the change to the overseas student's enrolment under section 19 of the ESOS Act i.e. notification via PRISMS.

Students are referred to the DHA web site at <https://www.homeaffairs.gov.au/> or Helpline (131 881) for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa. It can be done verbally as well as through letter.

ANIE reserves that right of not doing 'variation of CoE' at the time of approval of suspension. The extension of CoE may be done when student approaches end of course or when he requires it of visa purpose

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by ANIE, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, ANIE will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the suspension is required for longer than 12 months the student shall have to re-apply into the course once the initial suspension period has expired.

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DHA via the DHA helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

ANIE will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases, where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

### **Your feedback**

Your feedback is important to us and assists in ensuring that our services meet your needs. We use feedback from students to contribute to our continuous improvement processes so we are always striving to do better.

All students will be provided with a Quality Indicator Survey issued by the National Centre for Vocational Education and Research (NCVER) that they are required to complete after achieving the qualifications. Please help us by completing the surveys that are provided to you by your trainer/assessor. Some may also be mailed or emailed to you from our office.

We also welcome feedback from you at any time by written letter, email and phone.

There is no charge to access your records however there is a cost per page for photocopying as per schedule of charges.

Access to records may be provided by:

- making copies of the records held in a file
- providing a time for you to review your file

### **Amendment to records**

If a student considers the information that ANIE holds about them to be incorrect, incomplete, out of date or misleading, they can request that the information be amended.

Where a record is found to be inaccurate, a correction will be made. Where a student requests that a record be amended because it is inaccurate, but the record is found to be accurate, the details of the request for amendment will be noted on the record.

### **Notifying changes regarding ANIE**

As an RTO under the VET Quality Framework and CRICOS Education Provider under the National Code, we must notify you promptly if there are any changes to our RTO, the course, or the arrangements for training and assessment.

This would include if there were any changes of ownership, and any new third party arrangements or changes to third party arrangements that relate to your enrolment, or if we were unable to provide the services you agreed to in your Student Agreement because we are no longer able to deliver the course you have enrolled in, or no longer operating as an RTO.

If this occurs, ANIE will devise a strategy to minimise impact on you and notify you of the changes and how you will be affected as soon as practicable.

Depending on the type of change, we may send a letter to your home address; send you an email, or an SMS message.

Please make sure we always have your most current home address, email address, mobile number and emergency contact on file so we can notify you of any changes if applicable.

### **Legislation and you**

As a student, you have both rights and responsibilities under applicable legislation.

### **Education Services for Overseas Students**

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS Framework and they include the Education Services for Overseas (ESOS) Act 2000 and the National Code 2018. For more information about your rights and responsibilities under the ESOS Framework, visit the following website:

### **National VET Regulator Act 2011**

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of Standards that ensure that the training and assessment and support services are provided to you in accordance with nationally mandated standards.

### **Standards of Registered Training Organisation 2015**

The Council of Australian Governments' (COAG) Industry and Skills Council is responsible for endorsing vocational education and training (VET) standards. The Council consists of the Australian, state and territory ministers with responsibility for industry and/or skills within their jurisdiction. All registered training organisations (RTOs) in Australia are responsible for ensuring they fully comply with the Standards at all times as a condition of their registration. The Standards are enabled by the *National Vocational Education and Training Regulator Act 2011* (NVR Act), which aims to:

- provide national consistency in regulation of the VET sector, using a standards-based quality framework and a risk-based approach
- promote quality, flexibility and innovation in VET
- promote Australia's reputation for VET locally and overseas
- promote a VET system that meets Australia's social and economic needs
- protect students undertaking or proposing to undertake VET in Australia, and
- ensure access to accurate information regarding the quality of VET.

### **National Code 2018**

The National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code 2018) supports the National Strategy for International Education 2025 to advance Australia as a global leader in education, training and research.

The National Code is a legislative instrument made under the Education Services for Overseas Students Act 2000 and sets nationally consistent standards to support providers to deliver quality education and training to overseas students. The National Code 2018 commenced on 1 January 2018. Education providers must comply with the National Code to maintain their registration to provide education services to overseas students.

The National Code 2018 is a set of nationally consistent standard that governs the protection of overseas students and delivery of courses to those students by providers registered on CRICOS - the Commonwealth Register of Institutions and Courses for Overseas Students. Only CRICOS courses can be offered to international students studying in Australia on a student visa. The National Code is established under the *Education Services for Overseas Students (ESOS) Act 2000*. To become CRICOS-registered a provider must demonstrate that it complies with the requirements of the National Code.

The objectives of the National Code are:

- support the ESOS framework, including supporting the effective administration of the framework by the Australian Government and state and territory governments
- establish and safeguard Australia's international reputation as a provider of high quality education and training by:
  - ensuring that education and training for overseas students meets nationally consistent standards, and
  - ensuring the integrity of registered providers
- protect the interests of overseas students by:
  - ensuring that appropriate consumer protection mechanisms exist
  - ensuring that student welfare and support services for overseas students meet nationally consistent standards, and
  - providing nationally consistent standards for dealing with student complaints and appeals

- support registered providers in monitoring student compliance with student visa conditions and in reporting any student breaches to the Australian Government.

### **The ESOS Framework**

The ANIE is committed to providing quality education and protecting your rights.

The Australian Government requires overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the *Education Services for Overseas (ESOS) Act 2000* and the National Code 2018.

### **CRICOS**

The Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) is a database of Australian education institutions. Any education institution that recruits, enrolls or teaches overseas students, must be registered on CRICOS.

Education institutions must also register each course they offer to overseas students.

Each institution and course registered on CRICOS has an identifying CRICOS number. The institution number must be shown on all promotional material offered to overseas students. If there is no number, then the institution may not be registered to teach overseas students.

To determine if an institution or course is registered on CRICOS, please check the publicly available website at: <http://cricos.education.gov.au>

### **PRISMS**

The Provider Registration and International Students Management System (PRISMS) is a secure computer system that is the information source for CRICOS.

Education institutions and their courses are listed on PRISMS, as is each student studying in Australia on a student visa. That is because this system interfaces with the Department of Home Affairs (DHA) data.

Through PRISMS education institutions notify DHA and Department of Education, Skills and Employment (DESE) of each student's enrolment in a course. This should occur before the student applies for a student visa to study in Australia. The enrolment information generates an electronic Confirmation of Enrolment (eCoE) as evidence of enrolment in a registered, full-time course. This eCoE is a key requirement for DHA to issue a student visa.

Education providers also use PRISMS to notify DHA and DESE of students who may have breached the terms of their student visa - for example when the student has not been progressing in studies.

PRISMS has reduced visa fraud and ensured education institutions keep track of the students in their care.

### **Protection for Overseas Students**

Overseas students on a student visa, must study with an education provider and in a course that can be found on the Commonwealth register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.education.gov.au/> CRICOS registration guarantees that the course and the education provider at which study is undertaken meets the high standards necessary for overseas students.

The ESOS framework protects student rights, including:

- The right to receive, before enrolling, current and accurate information about the courses, fees, duration of study and other information from a provider and the provider's agent
- The requirement to sign a written agreement with the provider before or as fees are paid, setting out the services to be provided, fees payable and information about refunds of course

money. A copy of the written agreement and proof of payments will be kept by the student and the RTO

- The right to get the education paid for. The ESOS framework includes consumer protection that will allow students to be placed in similar course if the provider is unable to teach the course.
- The right to know:
  - How to use the provider's student support services.
  - Who the contact officer is for overseas students.
  - How to apply for course credit.
  - How to apply for enrolment deferment, enrolment suspension or cancellation.
  - The provider's requirements for satisfactory progress in the courses of study.
  - How attendance will be monitored.
  - How to use the provider's complaints and appeals process.
- The student responsibilities include:
  - Satisfy the student visa condition.
  - Maintain Overseas Student Health Cover (OSHC) for the period of the stay.
  - Meet the terms of the written agreement with the provider.
  - Inform the provider of any change of address.
  - Maintain satisfactory course progress.
  - Follow the provider's attendance policy.

A full copy of the ESOS Framework is available at the following link:

### **Workplace Health and Safety**

Under the Workplace Health and Safety Act 2011, ANIE must provide a safe environment for both staff and students, as well as providing information to staff and students in relation to health and safety and welfare. ANIE has policies and procedures in place to ensure your safety and on commencement of your course you will be provided with information about health and safety.

As a student you also have a responsibility to follow instructions and rules and to behave in ways that are safe and do not endanger the health and safety of others. Always ensure that you:

- Immediately report hazards to your trainer/assessor.
- Seek assistance from a member of staff if you become ill or injured on campus.
- Only assist another person who is ill or injured if it is safe to do so. If you're not sure, call on a member of staff for assistance.
- Complete an incident report as required.
- Ensure you are familiar with ANIE emergency evacuation procedures and in the case of an emergency, follow the instructions given to you.
- Do not leave bags or personal belongings lying around where someone else could trip over them.
- Do not smoke or drink alcohol on the premises.

- Observe basic hygiene practices such as hand washing before handling and eating food and leaving toilets and wash basins clean and tidy, etc).
- World-wide, every city has some areas that may not be so safe. In your home city, you probably know of these areas and know how to avoid them. Sydney is the same. If you are not familiar of which areas to be careful of you can check with a trainer or Director of Studies.
- In Australia, alcohol is readily available and legal for those over 18 years of age. Other substances such as marijuana, ecstasy, cocaine, etc are not allowed by Australian law and you run the risk of legal and visa problems as well as health issues if you become involved in their use / dealing. If you have any questions or concerns about these things, please check with your Director of Studies.
- Electrical equipment: Within the training automotive environment, you will be using a wide range of electrical equipment. The following guidelines are to be applied:
  - Electrical equipment that is not working should be reported to ANIE staff immediately.
  - Electrical work should only be performed by appropriately licensed electrician. Students are not to undertake any task related to fixing electrical equipment such as lighting or electrical training aids.
  - All personal equipment used at college must have a valid 'testing tag' to confirm that the equipment has been assessed for safety.
  - The college can arrange tagging and testing for students. A fee may apply.
- Fire safety: ANIE will communicate the procedures involved in evacuation and the location of fire equipment to students during student orientation. Students are to be familiar with the location of all EXITS and fire extinguishers. It is the user's responsibility to understand fire drill procedures displayed around the premises. Students are to attend and participate in annual fire safety sessions on fire safety procedures and the use of fire safety devices.
- First aid: Provision for first aid facilities is available, on the first floor of each campus located at reception. All accidents must be reported to ANIE staff. The accident and any first aid provided must be recorded by staff involved.

Lifting: Students, trainers and assessors are encouraged not to lift anything related to the training and assessment provided by ANIE unless they do so voluntarily and taking all responsibility for any injury caused. Never attempt to lift anything that is beyond your capacity. When lifting, always bend the knees and keep the back straight when picking up items. If you have experienced back problems in the past do not attempt to lift heavy objects at all. Ask someone else to do it for you.

### **Critical incident**

Critical incident means a traumatic event or the threat of such (within or outside Australia) which causes extreme stress, fear or injury to the student and affect the student's ability to undertake or complete a course. Critical incidents that may cause physical or psychological harm could include, but are not limited to, events such as:

- Victim of severe verbal or psychological aggression
- Death, serious injury or any threat of these to the student
- Death or illness of close family member
- Natural disaster in home country; and
- Issues such as domestic violence, sexual assault, drug or alcohol abuse.

Please inform us immediately if you face any incident so that we can provide you appropriate services.

### **Harassment, victimisation or bullying**

ANIE is committed to providing all people with an environment free from all forms of harassment, victimisation and bullying. ANIE will not tolerate any behaviour that harms, intimidates, threatens, victimises, offends, degrades or humiliates another person.

Anti-discrimination law defines harassment as any form of behaviour that you do not want, that offends, humiliates or intimidates you and that creates a hostile environment. Examples of harassment are making fun of someone, spreading rumours, offensive jokes, ignoring someone, etc.

Victimisation is where a person is treated unfairly because they have made a discrimination complaint.

Bullying is verbal, physical, social or psychological abuse by a staff member or student. Bullying falls under health and safety legislation.

If you at any time feel that you are being harassed, victimised or bullied by a staff member or student, you should follow these steps.

If you feel that you are being harassed, victimised or bullied, ideally you should tell the person that you don't like the behaviour and ask them to stop. However, if you are not comfortable doing this, you should lodge a complaint as per ANIE Complaints and Appeals procedure and detailed in this Handbook.

### **Equal opportunity**

The principles and practices adopted by ANIE aim to ensure, that current and prospective students, clients and other stakeholders are treated fairly and equitably in their dealings with ANIE.

All people will be treated courteously and expeditiously throughout the process of enquiry, selection and enrolment and throughout their participation in a course.

ANIE provides equity in access to the level of training and support required by each student. All students are supported in a manner that enables them to achieve their full potential and success in their training outcomes. All students are provided with opportunities to develop and successfully gain skills, knowledge and experience through education and training.

### **Student Identifiers Act 2014**

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification of a statement of attainment for any student if we don't have a USI on file.

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organisations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.
- There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations etc as proof of VET achievements.
- It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI please refer to <http://www.usi.gov.au/About/Pages/default.aspx>

## PRIVACY POLICY

In collecting your personal information ANIE will comply with the requirements set out in the Privacy Act 1988, the Privacy Amendment (Private Sector) Act 2001 and the relevant state privacy legislation.

This means that we will:

- Inform you of the purpose for which the information is collected.
- Only use the personal information that you provide to us in relation to your study with us.
- Ensure your personal information is securely handled and stored.
- We will inform you of any organisation and the type of organisation to which we disclose personal information e.g. the Australian Government or the National Centre for Vocational Education Research, as well as the purpose of disclosing this information e.g. for statistical purposes.
- We will not disclose your personal information to another person or organisation unless:
  - We have made you aware that information of that kind is usually passed to that person or organisation.
  - You have given written consent;

  - The disclosure is required or authorised by or under law; or
  - The disclosure is reasonably necessary for the enforcement of the criminal law or of a law imposing a pecuniary penalty, or for the protection of the public revenue.

ANIE's Privacy Policy can also be found in website [anie.edu.au](http://anie.edu.au).

## Fees, Charges and Refunds

Protection of fees paid in advance

- ANIE protects the fees that are paid in advance by international students.

For international student fee protection is ensured as follows:

- ANIE does not require international students to pay more than 50% of course fees prior to course commencement. However, ANIE provides students with the opportunity to pay more than 50% of their tuition fees prior to course commencement if they wish. Where a student chooses to pay more than 50% upfront, the remaining amount will be collected according to an agreed payment schedule. Note, however, that where a course is less than 25 weeks, ANIE will require students to pay the full cost of the course prior to course commencement.
- ANIE pays into the Tuition Protection Service (TPS) provided by the Australian Government.

Prospective and current students are advised of the fees associated with a course on the relevant Course Outline and on the Student Agreement. In compliance with Clause 2 and 4 of the National Code 2018, this is provided prior to enrolment or commencement of training, whichever is first.

Refund information is outlined in the Student Agreement and in the Student Handbook. ANIE publish in a prominent place on its website (i) All tuition and non-tuition fees (as shown on Course Outlines), (ii) This Fees and Refunds Policy.

Fees will only be collected once a signed copy of the signed Student Agreement is received by Australian National Institute of Education

## 1. Inclusions in course fees

The Offer Letter and Agreement is clearly itemising tuition, as well as non-tuition fees.

- Course fees means the tuition fee, and non-tuition fees e.g. materials fee and other expenses. Tuition Fee includes all of training/teaching and assessments required for the students to achieve the qualification or course in which they are enrolling within the attempts allowed. Material fees include copies of text book extract, hand-out and other mandatory learning materials, prepared by ANIE. Any other textbook or reference book and materials that may need to be consulted but not necessarily required to be purchased, are not included in materials fees and will be mentioned as additional cost, should the student wish to purchase such materials. If text/library books are lost and need to be replaced, the student will be required to cover the cost of the replacement materials.
- Tuition fees include the issuance of one set of testamur and record of results and/or statement of attainment (in case of withdrawal or partial completion). For additional copies or re-issuing of any of these documents, an additional fee is applicable. Refer Schedule of Charges.
- Non-Tuition Fee also include fees apply for re-assessment, where a student fails to achieve a satisfactory outcome after three attempts at an assessment task (VET students only), Fees for deferral of study, late payment of tuition fees, or other circumstances in which additional fees may apply.
- Course fees do not include Overseas Student Health Cover or optional extras such as airport pick-ups; Direct debit setup; transaction and dishonour fees (where applicable); Credit card payment surcharges; stationaries like pen, pin; uniform etc. These fees will be additional costs as outlined in the Schedule of Charges, if applicable.

## 2. Payments

Payments can be accepted by EFTPOS, electronic transfer, credit card, money order or direct debit. Credit card payments incur a surcharge per transaction.

Students who are experiencing difficulty in paying their fees are invited to call our office to make alternative arrangements for payment during their period of difficulty.

Students will be communicated before 14 calendar days of a payment due date. For delays in payment, an additional fee may be charged as late payment fee (consult schedule of charges). Debts will be referred to a debt collection agency where fees are more than 40 days past due. Australian National Institute of Education reserves the right to suspend the provision of training and/or other services until fees are brought up to date. Students with long term outstanding accounts may be withdrawn from their course if payments have not been received and no alternative arrangements for payment have been made.

International students who do not pay their fees will receive two warnings regarding non-payment of fees and thereafter will be reported to DET via PRISMS under student default.

Receipts of payments made by international students will be kept for at least 2 years after the person ceases to be an accepted student.

### 3. Refunds

Students who withdraw from a course and wish to seek a refund or have the amount they owe on their fees reduced, must apply to Australian National Institute of Education in writing, outlining the details and reason for their request. Students who have not completed a withdrawal form are not eligible for consideration of a refund or reduction in fees.

#### Refunds Process

Refund applications must be made in writing to the Chief Executive Officer (through contact details of SSM). Refunds are expected to be paid from college's end in AUD without any accrued interest within 28 working days (but not later than 90 calendar days of application, if any banking/technical reason make it delayed) of receipt of a written application and will include a statement explaining how the refund was calculated. Student has to provide own bank account details or indicate the specified person in the designated section of this agreement to receive the refund.

Students may be charged a non-refundable application processing fee / enrolment fee which is outlined on the fee section. This fee is non-refundable except in the unlikely situation where Australian National Institute of Education is required to cancel a course for insufficient numbers, own inability to commence a course or for other unforeseen circumstances. In this case, students will receive a full refund of their application processing fee / enrolment fee.

#### Course Fee Refund

##### *Visa Refused*

If an international student is refused a visa (student default) before commencing their course, ANIE will refund the total amount of all course fees (tuition and any non-tuition fees paid) received for the course less whichever is the lower amount of 5% of the total amount of the fees (tuition and non-tuition) or the sum of \$500. However, the Application Processing Fee will not be refunded.

If an international student is refused a visa (student default) but has already commenced their course, non-tuition fees will not be refunded. However, tuition fees will be refunded from the day of the student default as per Section 7 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014.

Where a student is refused a visa and the reason for the refusal was because the student did not start the course at the location on the agreed starting day or the student withdrew from the course at that location or the student did not pay the fees due; there will be no refund.

##### *100% refund of Course fees*

- Where a course does not start on the starting date outlined in the Letter of Offer
- If a student cannot commence the course because of illness, disability or where there is death of a close family member of the student (parent, sibling, spouse or child).
- At the discretion of Australian National Institute of Education's CEO or approved representative, when other special or extenuating circumstances have prevented the student from commencing their studies including political, civil or natural events.
- If an offer of a place is withdrawn by Australian National Institute of Education and this is not due to incorrect or incomplete information being provided by the student.

#### *80% refund of course fees*

Where a student has not met the conditions included in the letter of offer and withdraws 0- 28 days before course commencement, the course fees paid will be refunded less a 20% administration fee.

Withdrawal for any other reason, notified in writing and received by Australian National Institute of Education 28 Calendar days or more prior to class commencement.

If a student has supplied incorrect or incomplete information and as a result ANIE withdraws the offer prior to commencement of the course, the student will be eligible to receive a refund of all course fees paid less a 20% administration fee.

#### *50% refund of course fees*

Withdrawal notified in writing and received by Australian National Institute of Education within less than 28 calendar days prior to class commencement

#### *No refund of current semester course fees.*

Withdrawals notified in writing and received by Australian National Institute of Education on the commencement date or after the class commences of a unit, no refund of course fee for that unit. In this case, if the student has also paid for units/clusters/modules that have not been commenced yet, the refund will be calculated on a per unit or cluster cost calculated as the course fee less administration fees of 20%, less materials fees divided by the total number of units or clusters or modules in the course.

Also, where ANIE terminates the student's enrolment because of a failure to comply with ANIE's policies, for misbehaviour or unsatisfactory course progress, there will be no refund.

In the unlikely event that Australian National Institute of Education is unable to deliver your course in full, you will be offered a refund for the portion of the course you have not received training for. The refund will be paid to you within 28 working days of the day on which the course ceased being provided. If Australian National Institute of Education is unable to provide a refund or place you in an alternative course, our Tuition Protection Service (TPS) will place you in a suitable alternative course at no extra cost to you. Finally, if TPS cannot place you in a suitable alternative course or if there are no suitable alternative courses or offers, you may apply for a refund of the amount of any unspent pre-paid tuition fees you have paid to Australian National Institute of Education. These are any tuition fees you have already paid that are directly related to the course/training which you haven't yet received. In the case of provider default there is no requirement for a student to lodge a refund application form.

Education Services for Overseas Students (Calculation of Refund) Specification 2014 may be consulted for calculating amount of refund for provider default or student default, if needed.

Fees not listed in the refund section are not refundable. Prior to a student enrollment, tuition fees may be altered with or without notice. Once a student has completed enrolment, fees will not be

subject to change for the normal duration of the course. If a course length is extended by the student, then any fee increases will be required to be paid for the extended component of the course according to the fee structured relevant at that time.

#### **4. Refund Process and Refund decisions**

Students who withdraw from a course may seek a refund or a reduction in fees owing by making an application for a refund in writing using the Application for Refund Form. The application must include the details and reason for the request. Students who have not completed a Withdrawal Form are not eligible for consideration of a refund or reduction in fees.

The refund assessment will be based on reviewing the services provided to the student and the costs incurred by Australian National Institute of Education to provide those services.

The outcome of the refund assessment will be provided in writing to the student's registered address within 28 business days, outlining the decision and reasons for the decision along with any applicable refund or adjustment note. Refund decisions can be appealed following our Complaints and Appeals Policy and Procedure.

A student not achieving the qualification or unit/s in which they enrolled due to exhausting their attempts at assessment, does not entitle the student to a refund.
